Local fire crew travels 1200 miles to support firefighting efforts in California

Kate Burkhoder Aug 20, 2023 Updated Aug 21, 2023

Photo Courtesy of Rio Rico Medical and Fire Department

YREKA, Ca. (KVOA) – Rio Rico Medical and Fire District has sent a small but mighty crew to Yreka in order to help out with the many fires that have been burning in the Klamath National Forest.

The department sent out a 4 person crew that is currently en route to assist in fighting the fires that have been forcing evacuations throughout this past week.

Senior Advisor of the Rio Rico Medical and Fire District, Frank Granados, reached out to News 4 Tucson, proudly sharing a photo of the crew's fire engine with Mt. Shasta in the background.
